Teaching

University of Leeds - Instructor

Philosophy of Mathematics and Logic, Spring 2017, 2018 Co-Instructor (with Michael Rathjen)

Survey of issues in contemporary Philosophy of Maths and Logic for Philosophy majors and Math majors and Postgrads

Bilkent University - Instructor

Aesthetics, Spring 2016 Instructor

Majors course and de facto senior seminar in aesthetics and the philosophy of art.

Introduction to Philosophy II, Spring 2015, 2014, Instructor

Majors course in contemporary moral philosophy including metaethics, normative ethics, and applied ethics.

Intermediate Logic, Fall 2015, 2014 Instructor

A rigorous treatment of first-order logic and a quick tour of classic metatheoretic and limitative results.

Social and Political Philosophy II, Spring 2016, 2015, 2014, Instructor

"Great books"-style course covering social and political philosophy from Hobbes to Marx.

Social and Political Philosophy I, Fall 2015, 2014, 2013, Instructor

"Great books"-style course covering social and political philosophy from Plato to Machiavelli.

Metaphysics, Fall 2013, Instructor

Majors course in contemporary analytic metaphysics.

New York University - Instructor

Introduction to Bioethics: Justice in Healthcare, Summer 2013, Co-Instructor with Barry Maguire

Graduate course covering selected topics at the intersection of issues in distributive justice and bioethics.

The College of New Jersey - Instructor

Introduction to Logic, Spring 2013, Fall 2012 The College of New Jersey, Instructor

Introductory logic course aimed at preparing students for a further metalogic class. Sole instructor and wholly responsible for course design.

Princeton University - Teaching Assistant

Literature and Food, Spring 2013, Teaching Assistant for Anne Cheng

Mid-level english course on themes in literature relating to food. Led two discussion sections, graded papers and exams.

Introduction to Moral Philosophy, Fall 2012, Teaching Assistant for Michael Smith

Introductory course covering metaethics, normative ethics, and applied ethics. Led three discussion sections, graded papers and exams.

Metaphysics, Spring 2009, Teaching Assistant for Michael Fara

Advanced undergraduate course covering free will, persistence, and time. Led two discussion sections, graded papers and exams.

Intermediate Logic, Fall 2008, Teaching Assistant for John Burgess

Advanced undergraduate course covering standard limitative results of first-order logic (undecidability, incompleteness, etc.) with occasional forays into more advanced material. Led a discussion section and graded problem sets.

Garden State Youth Correctional Facility - Instructor

Introduction to Philosophy, Spring 2011, Co-Instructor with Zena Hitz and Adam Crager

Introductory philosophy course designed around Plato's Republic.

University of Minnesota - Instructor

Philosophy of Psychology, Fall 2006

Advanced undergraduate course covering metaphysics of mind, intentionality, and self-knowledge. Sole instructor of course; wholly responsible for course design.

University of Minnesota - Teaching Assistant

Symbolic Logic II, Spring 2007-2005, Teaching Assistant for William Hanson

Graduate course covering standard limitative results of first-order logic (undecidability, incompleteness, etc.) with occasional forays into more advanced material. Led a discussion section and graded problem sets.

Introduction to Philosophy, Fall 2005, Teaching Assistant for Peter Hanks

“Greatest hits”-style introductory philosophy course. Led three discussion sections, graded papers and exams.

Introduction to Logic, Summer 2005, Teaching Assistant for Byeong Yi

Introductory logic course. Led a discussion section and graded problem sets.

Philosophy of Psychology, Fall 2004, Teaching Assistant for C. Wade Savage

Advanced undergraduate course covering metaphysics of mind, intentionality, and personal identity. Graded papers, designed and graded exams, and gave occasional lectures.

Symbolic Logic I, Fall 2004, Teaching Assistant for William Hanson

Graduate course introducing first-order logic in a rigorous fashion. Led a discussion section and graded problem sets.

Introduction to Logic, Spring 2004, Teaching Assistant for Joseph Owens

Introductory logic course. Led a discussion section and graded problem sets.

Introduction to Logic, Fall 2003, Teaching Assistant for Michael Kac

Introductory logic course. Led a discussion section and graded problem sets.

Normandale Community College

Introduction to Ethics, Fall 2006, Instructor

Introductory course covering normative ethics and applied ethics. Sole instructor and wholly responsible for course design.

W.E.Dubois Program for the Humanities at Roxbury College

Social and Political Philosophy, Spring 2003, Tutor for William DeAngelis

Led directed revision sections for students.
